

A circular logo with a white center containing a large, stylized black 'iB'. The 'i' has a solid black dot. Surrounding the center are three overlapping, curved segments: a blue segment at the top right, a purple segment at the bottom left, and a teal segment at the bottom right. Each segment contains white text. The blue segment is labeled 'PIXELS', the purple segment is labeled 'PLACES', and the teal segment is labeled 'PROMOS'. The segments overlap in a way that creates a continuous circular path around the central 'iB'.
