

Magnetic Phone Caddy — Sell Sheet Copy

Product Name

Magnetic Phone Caddy

Hero Headline

This is your Canvas.
Express your brand.

Hookline

Finally, a giveaway that's more than a logo slapped on a product. It becomes part of your brand.

Short Body Paragraph

Most giveaway items only let you put your logo on them. The Magnetic Phone Caddy gives you the entire faceplate for edge-to-edge customization. Match your brand colors, run a bold pattern, drop in a photo, or design something completely your own. Or keep it simple with just your logo. Either way, your brand shines.

The 3-Designs Section

One product. Endless possibilities.
Go bold or keep it simple. Either way, your brand shines.

Feature Callouts

We'll help bring your design to life. Have a full design, or just a logo and an idea? Send it over and we'll help make it look great, or help you come up with something new.

Fits any phone. MagSafe compatible, or use the included ring with any phone.

Seen every round. Mounts right at the golfer's fingertips and keeps your brand within reach at all times.
