

Magnetic Phone Caddy - Sell Sheet

What we want to convey

The Magnetic Phone Caddy boasts edge-to-edge customization that allows for limitless branding possibilities for our customers. Some of the Taglines we have come up with are "This is your canvas," "Express your brand" and "Be Bold." Feel free to expand on any of these as you see fit and necessary.

This sell sheet needs to scream that this product is about more than just putting your logo on a product. The product becomes part of the customer's brand and showcases the brands personality. Lead with that idea and the "you can also just add a logo" option is secondary.

Who it's for

Companies and golf event organizers looking for a customizable product to hand out as gifts and branded swag.

Must include

- A lifestyle image of the product in use
- 3+ different designs shown on the product to show off the range of what's possible
- Our logo
- A call to action such as "Get your free mockup," "Contact us to learn more," etc,
- Our contact info: sales@desertfoxgolf.com, 833-803-4653

Style

Modern and bold. See attached examples for the looks we like. Premium but colorful.

Club Car

onward LSV

- TOP SPEED 25 MPH
- BACKUP CAMERA
- AWAS SYSTEM (ACOUSTIC VEHICLE ALERTING SYSTEM)
- 4-WHEEL BRAKES
- OCCUPANT PROTECTION SYSTEM
- SEATBELTS (3-POINT IN FRONT, 2-POINT IN BACK)

The Club Car Onward LSV is a stylish, street-legal four-passenger electric vehicle designed for neighborhood cruising at up to 25 MPH. Built on a durable aluminum chassis, it features a smooth-riding SportDrive™ suspension and a 30V AC electric motor that delivers a quiet, confident 4.7hp. Safety is front and center, with three-point seat belts in the front, two-point in the rear, LED lighting, turn signals, mirrors, and even a high-resolution 7-inch dash display with backup camera and diagnostics. With optional lithium-ion battery packs (4kWh or 7kWh), USB-A/C phone ports, wireless charging, a locking glove box, and premium seating, the Onward LSV perfectly blends luxury, convenience, and low-speed vehicle compliance—ideal for resort communities, campuses, or everyday neighborhood fun.

THE GOLD STANDARD.
Unmatched Quality. Unstoppable Performance. Unequaled Comfort.
